e kindly thank the thousands of Idaho practitioners who annually attend Idaho Law Foundation Continuing Legal Education programming.

Attendance at an Idaho Law

Foundation CLE assists the Law Foundation's efforts to provide citizenship education with an emphasis on understanding the role of law as the basis of democratic society. Throughout Idaho, Law Related Education programs such as Lawyers in the Classroom, High School Mock Trial, Law Day and Citizen's Law Academy help Idahoans

Katherine S. Moriarty

Continued support of Idaho Law Foundation programs will ensure tools and resources are made available to reinforce learning while helping build positive relationships between citizens, the law and the legal community.

> Katherine S. Moriarty Idaho Law Foundation President

hroughout the year, live seminars on a variety of legal topics are sponsored by the Continuing Legal Education Committee of the Idaho Law Foundation. The seminars range from one hour to full day events.

To assist the Idaho practitioner in fulfilling the MCLE requirements and to encourage continued learning, we are proud to offer low cost programming utilizing various adult teaching methods throughout the Gem State. We invite you to take advantage of an upcoming CLE.
